

REMARKS

Claims 1-34 are now pending. By this preliminary amendment, Applicants have corrected an obvious typographical error in the paragraph beginning on page 12, line 4. The phrase "faster dissociation constant" has been amended to read "faster dissociation phase" to be consistent with the immediate prior reference to "slower dissociation phase".

All of the claims remaining in the application are now clearly allowable. Favorable consideration and a Notice of Allowance are earnestly solicited.

Respectfully submitted,
